or pmu@kavangowestrc.gov.na

The Kavango West Regional Council is hereby inviting eligible suppliers to submit technical proposals for the supply, delivery and installation of machinery for the establishment of a Mini Mineral Water Plant and Water Bottling Facility at Rupara Rural Development Centre, and further provide maintenance services after installation.

The required services under this assignment are:

1. Supply, delivery and installation of mineral water machinery and water bottling equipment;
2. Training of staff on the operation of the machinery;
3. Provide maintenance service after installation;

Eligible suppliers are invited to indicate their interest to supply, deliver and install the machinery through a technical proposal highlighting the type of machinery needed for the plant, type of water bottling equipment needed and anything that would help the client make the best choice when selecting the most eligible supplier.

Interested suppliers must provide clear information indicating that they are qualified to perform the required task (Brochures, description of similar assignments successfully performed, experience in similar projects, availability of appropriate skills of personnel etc.).

The following documents must accompany the proposal: proof of company registration, Tax/VAT registration, Good Standing Certificates from both Social Security and Ministry of Finance, Employment Equity Commission and any other key document to support proposal.

NB: The technical proposal must be submitted in a sealed envelope clearly marked (Expression of Interest) and submitted to the following address:
